

## **Child Find**

Child find is our way of reaching out to help support students in need. We are attempting to locate and identify students that may qualify for special education services and are between the ages of 3 and 21.

If you think your child may qualify for services please contact us to arrange free confidential developmental screening. Developmental screenings test cognitive, language, articulation, fine motor, gross motor, self-help, and social emotional skills. If your child has a diagnosed condition or has trouble with one or more of these skills please contact:

Jennifer Hilder
