## Craig Elementary & Middle School Classroom & Extra-curricular Activity Permission Form School Year \_\_\_\_\_

Dear Parents,

This is a request. Rather than asking you to sign a permission form for each walking field trip and extracurricular activity during the year, we are asking your permission just this once. This form will remain on file during the current school year.

Our reason for this request is simply that sometimes we are surprised with an unusually beautiful day, tides are just right or frozen muskeg is just perfect to take a walk on. When these things occur, we would like to have the opportunity to introduce your child(ren) to some of our natural wonders. These "mini" field trips allow us to take the classroom outdoors.

After school extra-curricular activities or special class field trips will have a permission slip specific to each activity.
