Dear CCSD Families and Community Members:

CCSD needs to inform our parents and community members about a staffing issue that will impact the district's bus operations. Due to staffing issues, starting on Tuesday, September 7 will not be able to provide bus service for the following routes:

- The before school and after school City bus run is cancelled.
- The Port Saint Nick after school bus run is cancelled.

CCSD is fully aware that this change in service will create difficulties for some families getting our students to and from school each day. Please note that the Hollis and Klawock bus run will continue operating as normal. We apologize for any inconvenience this schedule change causes our families. When the district has the available staffing to provide these services again, we will reinstate these scheduled runs immediately.

Sincerely,

Chris Reitan, CCSD Superintendent
