However, both parties recognize that the procedure must be available without any fear of recrimination because of its use. Informal settlements at any stage shall bind the immediate parties to the settlement, provided such settlements do not violate this agreement or compromise state law. Nothing in this article or elsewhere in this agreement shall be construed as preventing free and open discussion of any individual's concerns outside of this grievance procedure.

Section 1. Definitions

For the purpose of this article:

1. A "grievance" is an alleged violation of this negotiated agreement.
2. An "Aggrieved Party" is a person, group of people or the Association who submits a grievance.

- D. An aggrieved party can be represented at all stages of the grievance procedure by themselves, or at their option, by a representative provided by the Association.
- E. Each grievance shall be submitted in writing on a form approved by the Board and Association and shall identify the aggrieved party, the provision(s) of this agreement involved in the grievance, the time when and the place where the alleged events or conditions constituting the grievance existed and, if known, the identity of the person responsible for causing such events or conditions, and general statement of the grievance and redress sought by the aggrieved party.
- F. A teacher who participates in these grievance procedures shall not be subjected to discipline or reprisal because of such participation.

Section 3. Grievance Procedure

The parties acknowledge that it is usually most desirable for an employee and the direct supervisor to resolve problems through informal communications. If no resolution has been achieved informally, then:

Step 1

- A. The aggrieved party shall submit a formal grievance to the Association (Appendix A), who shall keep a copy and forward the original to the principal.
- B. There shall be a meeting between the immediate supervisor, the aggrieved party (parties), and potentially their Association representative within five (5) days.
- C. The supervisor shall provide the aggrieved party and the Association with a written answer to the grievance within five (5) days after the meeting. The response shall include the reasons upon which the decision was based.

Step 2

- A. If the grievance is not resolved at step one (1), or if no written response is received within the five (5) day time limit, the aggrieved party may submit the grievance to the superintendent. Such submission shall be within ten (10) days of the determination at step 1 or the date the determination was due.
- B. The superintendent shall arrange for a meeting with the aggrieved party to take place within ten (10) days after receipt of the grievance. Upon conclusion of the meeting, the superintendent shall have ten (10) days in which to provide their written decision to the aggrieved party as well as providing a copy to the Association.

Step 3

- A. If the grievance is not resolved at step two (2), or if no written response is received within the ten (10) day time limit set forth in step 2(B), the aggrieved party may submit the grievance to the President of the School Board. Such submission shall be within ten (10) working days of the determination date at step 2 or at the date the determination from step 2(B) was due.
- B. The President of the School Board shall arrange for a meeting with a quorum of the school board and the aggrieved parties within ten (10) days after the receipt of the grievance. Upon conclusion of the meeting, the aggrieved party and the Association shall be given a written decision from the Board within five (5) days after the next regular school board meeting, or twenty (20) days following the meeting, whichever is first.

Step 4 Arbitration

- A. If the grievance is not resolved at step 3 or if no response is received by the date the response was due, the Association may, within fifteen (15) days after receiving the response or the date the response was due, refer the grievance to Arbitration by requesting that the Federal Mediation and Conciliation Service or American Arbitration Association propose the names of seven (7) arbitrators. A copy of such a request shall be forwarded to the superintendent.
- B. Upon receipt of the names of the proposed arbitrators, the superintendent and the Association shall strike names from the list until one is designated as arbitrator.
- C. The arbitrator's decision shall be in writing with copies to the Board and the Association, and shall set forth his findings, reasoning and conclusions on the issues submitted. The arbitrator may adjust pay complaints and fashion remedies he judges to be proper under the facts of the case, provided that the award is consistent with the conditions of this agreement and that he shall have no power to award punitive damages or change the

substance of the contract. Nor shall he be empowered to make any decision contrary to law. The decision of the arbitrator shall be binding.

- D. The cost for the services of the arbitrator will be borne equally by the Board and the Association. The arbitrator will be directed to respond within sixty (60) days.

ARTICLE IX. EVALUATION

The parties acknowledge that the evaluation process is critical to the District's ability to maintain and improve the educational program and serves as a method for gathering data relevant to subsequent employment of teachers.

The District will maintain an evaluation system for teachers in conformance with AS §14.20.149. The evaluation process will be explained to and discussed with certified staff during the initial in-service of the school year, and will be followed by evaluators.

No Community Performance Survey may be used unless it is signed. All unsigned Performance Surveys will be destroyed. All evaluations will be reviewed with the teacher who shall have the right to append any comments to the evaluation.

ARTICLE X. REDUCTION IN FORCE/FURLOUGH

Any reduction(s) in force shall comply with all applicable laws of the State of Alaska.

Section 1. Procedure Criteria

If it becomes the intention of the Superintendent to recommend to the Board the elimination of a teaching position(s), the Superintendent shall notify the teacher prior to final decision by the Board. Should the Board's final determination be to eliminate a teaching position(s), it is understood between the parties that the District will consider such factors as experience in the District, certification, training, highly qualified status if applicable and evaluations in order to retain those teachers who are most capable of meeting the requirements of the educational program

Section 2. Furlough Status

Should reduced enrollment, resulting in loss of funding, lack of program enrollment or financial emergencies require reduction of tenured teacher position(s), the teacher(s) shall be placed on furlough status based on criteria in Section 1, until such time as a vacancy occurs or the District reestablishes the position. For purposes of this article, furlough status is defined as a period of time, not to exceed two years, during which a teacher is not on active duty with the District and is not receiving compensation from the District. However, during which time, service credits for retirement purposes will continue to accumulate and will be reinstated in full if the teacher is returned to duty at which time the District will pay its normal share of retirement contribution; provided that, no additional retirement contribution will be made if the furloughed teacher has been enrolled in the Teachers' Retirement System during the furlough period.

Teachers on furlough status will be returned to duty upon the Board's decision to fill a teaching vacancy or reinstate an eliminated position in the reverse order in which they were furloughed provided no teacher shall be assigned or returned to a position for which he/she is not qualified on the basis of training and experience.

Staff on furlough status will be responsible for keeping the District informed of contact information.

If a teacher exhausts his/her sick leave before the end of the school year, he/she will be eligible for the remainder of the yearly unaccrued sick leave days. A teacher may use sick leave for the death, illness or welfare of a person in the teacher's immediate family.

Sabbatical leave as established by Alaska Statutes shall be available to a teacher who meets conditions outlined in AS §14.20.280-300 when such leave is approved by the Board. Only one teacher may be on paid sabbatical leave at a time. The proposed program of study must be beneficial to the educational program of the District. Teachers contracted to return to the District following their sabbatical leave are entitled to half the District base pay for the year of leave and medical insurance during the sabbatical. If the teacher does not return to the district following the sabbatical, they will be required to pay back any compensation they received from the district during sabbatical leave.

Section 1

With the exception of Article XIV, Section 1, and Appendix B, this agreement shall be in effect for the school years 2018-2019, 2019-2020, and 2020-2021 upon being ratified by a majority of the members of the Association and subsequent Board approval. This agreement shall continue in full force and effect through June 30, 2021 at which time it shall expire.

Article XIV, Section 1 shall be opened again no later than February 4, 2019 for the purposes of establishing salary schedules for 2019-2020 and 2020-2021.

Section 2

The agreement expressed herein constitutes the entire agreement between parties and no oral statement shall add or supersede any of its provisions. The parties acknowledge that they have fully bargained with respect to the terms and conditions of employment and have settled them for the duration of this agreement. This agreement terminates all prior agreements and understandings and concludes all collective bargaining for the duration of this agreement. This contract can be modified by mutual agreement of the Association and the Board.

Section 3

Through the life of this agreement, it shall be binding on the parties individually and collectively and on their successors and assigns.

Section 4

CEA agrees that during the life of this agreement it will not cause, authorize, condone, sanction or take part in any strike, walkout, work interference or withholding of services for any reason.

The Board agrees that during the life of this agreement there shall be no lockout of employees for any reason.

ARTICLE XIV. COMPENSATION

Section 1. Salary

For the duration of this agreement, the salary schedule shall be as in Appendix B. Advancement and placement on the salary schedule will be based on upper division or graduate courses (300 or above) within each teacher's certificated or major subject area earned after completion of the teaching certificate degree program. Teachers assigned to teach courses outside their endorsement area may count credits earned in the new area if they carry upper division or graduate credit. For advancement change to be made, transcripts or verification of satisfactory course completion for courses completed during the summer must be available in the administration office prior to October 15th. If a teacher believes that advancement credit should be given for a course not approved, he/she may appeal the decision to the Superintendent by November 15th of the school year in which the credit is disapproved. The teacher may be represented by a member of the Association during the appeal.

Credits given for Alaska history or multi-cultural education may be counted for advancement on the salary schedule even if only offered at the lower division level.

The superintendent's decision may be appealed to the Board. This language is effective for teachers hired after 1996. All prior employee salary placements are unaffected and remain as previously determined and will be utilized to determine further advancement on the schedule.

Compensation follow the salary schedule in Appendix B.

For the 2018-2019 contract year, the salary schedule shall be increased by 1% on the base and 1% on the step.

Section 2. Insurance

The District will maintain continuous Public Education Health Trust Medical Plan A, continuous Public Education Health Trust Vision, and continuous Public Education Health Trust Dental Plan A for each regular, full-time employee and his/her dependents. The District shall pay 100% of each plan premium. Additionally, the District will offer Public Education Health Trust Orthodontia at 100% cost to the employee. For those who elect orthodontia coverage, the premium will be deducted monthly through automatic payroll deductions.

Covered employees' contribution will be 2% of the monthly premium. The contribution will be deducted automatically through monthly payroll.

If both spouses of a married couple are employed full time by the District, the District shall pay the amount of the family's medical expenses that would have been covered if both spouses had their own policy. The District shall waive the annual co-pay for married couples who are both employed full time by the District.

Health Insurance Opt-out Stipend: Regular full-time employees who have alternative health insurance coverage meeting the minimum requirements of the Federal Affordable Care Act or other applicable laws, may elect to waive their entitlement to District provided health insurance. Alternative coverage shall include District provided health insurance that would cover the waiving employee as a spouse of a District employee covered by the District's plan. The District shall pay the employee who waives coverage a \$350 monthly stipend.

For waiving employees whose alternative coverage is District insurance provided to their spouse, the above paragraph providing for the District payment of medical expenses shall not apply. The \$350 monthly stipend will be in lieu of District payment of medical expenses.

Employees who elect to voluntarily waive participation in the District health plan must notify the District during the "open enrollment period" and the employee must provide proof of alternative insurance. Re-enrollment "in" or opting "out" of the District health plan may take place once per year during open enrollment, or if there is a "qualifying event" as defined by the health insurance plan provider.
